QUEENS HALL ACTION ON POVERTY

Vision statement

To eradicate poverty and homelessness in our community

Mission statement

Operating with Christian values and working with people of all faiths or no faith, we will help empower people through positive engagement to;

- build independent lifestyles,
- live in good housing,
- be ready to take up work opportunities, and
- gain financial independence

Values statement

- We undertake social action which nurtures the fullness of life for service users, staff and volunteers
- We will innovate and take managed risks to support people make a real difference to their lives
- We offer an inclusive, non-judgemental service where discrimination in any form will not be tolerated.
- We employ a professional staff and volunteer team dedicated to the potential of our service users
- We develop relationships and partnership which are central to our work
- We are a caring, compassionate organisation that values our staff, volunteers, partners and service users.
- We will offer a local and user led service.
- We work in a way that is sustainable to the physical environment
